

Validation for the entered fields:

Fields	Type	Length
Name	Text	30
Vehicle Number	Text	15
Contact Number	Number	10
E-mail	Text	30
for de-allocating		
OTP/Reference Number	Text	8

Name- *[Required]* Alphabets and White Spaces

Vehicle Number- *[Required]* Alphanumeric, no white spaces

Contact Number- *[Required]* Numbers only

E-mail- Must contain a valid email address (with @ and .)

OTP/Reference Number- *[Required]* Alphanumeric

Note-

- i. We can eliminate the need for e-mail address, because if the person has phone he can easily check the OTP. However, for the reference of the customer he can have the block number allotted and OTP in his e-mail.
- ii. We have to design another interface for the administrator too.
